4. Within thirty (30) days of execution of the Agreement, the base salary of each unit employee will be increased by the above-referenced \$3,000.00.

B. The parties will insert the Job Classifications titles and salary ranges for each classification. The Authority will notify the Union within twenty (20) calendar days in writing of its request to establish any new job classifications and any changes to the existing classifications. Any changes will include the rate of pay and description of job duties. The Authority will meet with the Union to discuss the new or changed job classifications. The Union has the right to negotiate the effects of any and all changes in said job classifications and to take any disputes to binding arbitration.

C. All employees who are required to hold/maintain a CDL driver's license and must use that license in the performance of their job duties for the Authority shall receive a stipend of two hundred fifty (\$250.00) dollars per year. This stipend will be paid in a separate check during the first (1st) two (2) weeks of December to cover the preceding twelve (12) months.

D. All employees who receive a useable Black Seal license will be paid a supplement of seven (\$7.00) dollars per day for a full day that the license is useable and the employee is assigned to a boiler room. Those licensed employees who are assigned to a boiler room will be paid an additional supplement of thirty-five (\$35.00) dollars per week for a possible total of seventy (\$70.00) dollars per week. This additional thirty-five (\$35.00) dollars supplement shall only apply to an employee having a current license who is assigned boiler room duties for at least five (5) days a week.

E. Upon notification, the Authority will reimburse the employee all costs of the renewal fees for the following licenses: CDL and Black Seal. The employee must give the Personnel Officer eight (8) weeks' notice prior to the expiration of his or her license.

F. Clothing Maintenance Allowance: Employees who are required to wear a uniform will receive a uniform and an annual clothing maintenance allowance of four hundred and fifty dollars (\$450.00). This allowance will be paid to the employee for the laundering and maintenance of his/her work uniforms. Uniforms will be distributed pursuant to practice and with the same number of uniforms to each employee, including the necessary outdoor gear.

G. Employees who are assigned additional work duties or functions outside of their regular job responsibilities shall receive additional compensation per hour of ten (10%) percent of their total annual compensation. This shall apply after working two (2) consecutive days in the additional responsibilities and will be applied retroactively to the first day worked for all hours performing additional out-of-title job functions.

ARTICLE 22. PROMOTION COMPENSATION

A. Upon promotion, an employee will receive a ten (10%) percent increase to their total annual compensation, or up to five (5%) percent above the minimum of the range of the new position, whichever is higher.

B. Upon promotion to a supervisor position, the employee shall be at a rate that is five (5%) percent higher than the rate of his or her highest paid subordinate. The Authority will hire subordinate employee(s) at a rate that is, at a minimum, five (5%) percent less than the rate of the employee's supervisor. In instances in which the Authority transfers an employee to a subordinate position in order to maintain the efficiency of Authority operations, and the employee is paid at a rate that is higher than that of the supervisor in question due to the employee's longevity, the supervisor's rate will not be adjusted.

ARTICLE 23. COMPENSATORY TIME OFF

A. The payment of Compensatory Time Off (CTO) is discussed in Article 18.

B. The accumulation of compensatory time off is limited to sixty (60) hours per employee. Compensatory time off shall be taken during the calendar year in which it is worked,

except that CTO earned during the last quarter of the calendar year shall be used by the end of the first quarter of the next calendar year.

C. Upon separation from the Authority, employees will receive cash compensation at their final rate of pay for any CTO balance up to sixty (60) hours. Those employees who had an excess of CTO time beyond sixty (60) hours as of January 1, 2004 will be compensated for those excess CTO hours above sixty (60) at the base rate of pay which was in effect on January 1, 2004 (exclusive of any special increase that may have been in effect for temporary work assignments/duties).

ARTICLE 24. INCLEMENT WEATHER COMPENSATION

In the event of inclement weather, the Executive Director will determine if the Authority's offices will remain open. Employees may receive information in this regard by calling the Authority's main phone number for a taped message or viewing public access television or tuning to local radio. If the offices are not officially closed, employees are expected to report to work at their normal starting time. If any employee cannot make it to work, he/she should notify his/her supervisor and request appropriate personal, vacation or compensatory time off for the hours missed. If Authority offices are officially closed, employees will be paid for their normal workday as though it were a declared leave day. This shall not apply to those employees required to work irrespective of whether the Authority offices are open or closed.

ARTICLE 25. LEAVE TIME

A. Vacation Time

1. All current full-time employees who were hired prior to July 1, 2007 earn paid vacation leave monthly, credited on the fifteenth (15th) day of the month, based on their seniority, as follows:

Up to one (1) year of service - one (1) day per month

Beginning one (1) through four (4) years - 15 days per year (1.25 per month)

Beginning five (5) through nine (9) years - 18 days per year (1.5 per month)

Beginning ten (10) through fourteen (14) years - 21 days per year (1.75 per month)

Beginning fifteen (15) through twenty (20) years - 25 days per year (2.08 per month)

Beginning twenty-one (21) or more years - 30 days per year (2.5 per month)

2. All full-time employees hired after July 1, 2007 earn paid vacation leave monthly, credited on the fifteenth (15th) day of the month, based on their seniority, as follows:

1st year of service - 1 day per month

2-4 years of service - 12 days per year

5-9 years of service - 15 days per year

10+ years of service - 20 days per year

3. Employees may carry forward up to one (1) years' worth of unused vacation time for reasons of business necessity only if approved by the Executive Director or designee. Employees who do not use said leave time in the following year shall forfeit such unused time.

4. While vacation leave is an employee entitlement, the scheduling and granting of employee vacation requests is a supervisory prerogative necessary to minimize disruption to Authority operations. Vacation leave may be requested and approved in increments of one-half ($\frac{1}{2}$) hour or more. Employee vacation requests must be made, in writing, to the supervisor, as far in advance as possible but at least one (1) day in advance for a single day and at least three (3) days in advance for two (2) to nine (9) consecutive days. Employees requiring ten (10) or more consecutive days' vacation must submit a written request, through their supervisors, to the Executive Director at least ten (10) days in advance. Same day vacation requests shall not be telephoned in or granted, except under inclement weather conditions or personal or family emergencies. In the event of a conflict in the scheduling of vacation days, the determination as to which employee will be granted the use of vacation leave shall be based on the timeliness of the request. If the requests were submitted on the same day, the determination shall be made based on seniority.

5. Employees on approved unpaid leave shall not accrue any vacation benefits. Employees shall not be charged vacation leave for any official holiday which falls during the employee's scheduled, approved vacation. Employees who separate from employment with the Authority in good standing shall be paid for the full value of all earned, unused vacation time.

6. If the employee has no sick leave balance, he/she may charge such time against other accrued paid leave if available with the Executive Director or designee's approval. The Executive Director or designee's approval shall be non-grievable.

B. Personal Leave

1. All employees are entitled to four (4) personal leave days per year. Personal leave time may be used in increments of one-half (0.5) hour or more.

2. New employees earn their personal leave days at the rate of one (1) day per month over the first four (4) months of employment. All other employees are advanced the four (4) days at the beginning of each calendar year. Personal leave days must be used in the calendar year in which they are granted and may not be carried over from year to year. Employees are not compensated for unused personal leave days.

3. Twenty-four (24) hour notice in writing, except in an emergency, shall be given to the employee's supervisor in order to apply for and be considered for such leave. The supervisor shall make every effort to grant the personal day request in keeping with the needs of the Authority. Except in an emergency, personal days may only be attached to a vacation or a holiday with prior approval by the employee's supervisor. If an employee requests leave on Good Friday, such leave shall not be unreasonably withheld.

C. Sick Leave

1. Paid sick leave benefit is to be used prudently and strictly to cover absences from work due to personal illness, exposure to contagious disease, attendance upon a

seriously ill family member or partner, and for any other reasons set forth in law or Authority policy.

"Family member" is defined as spouse, civil union partner, domestic partner, son, daughter, mother, father, brother, sister, grandparent, grandchild, great-grandparent, great-grandchild, mother-in-law, father-in-law, or other relatives who reside with the employee. The terms "domestic partner" and "civil union partner" are defined by the laws of the State of New Jersey.

2. Employees are required to notify their supervisor that they will be using sick leave by their scheduled reporting time. Sick leave may be used in increments of one (1) hour or more, for nonemergency medical purposes such as physician and dentist appointments and medical tests.

3. New employees earn their sick leave at the rate of one and one quarter (1¼) days per month, during their first calendar year of employment. Other employees are advanced fifteen (15) sick leave days per year, earned at the rate of one and one-quarter (1¼) days per month. If an employee has been advanced sick leave and he or she leaves prior to the end of the year, he or she shall be required to reimburse the Authority for time that has been advanced but not earned. Unused sick leave accumulates from year to year and is available to cover serious, unanticipated long-term illness and for any other reason described in section (C)(1) above.

4. If an employee is out on sick leave for three (3) or more consecutive days, or for fifteen (15) or more workdays in a single calendar year, documentation that the leave is being taken for a permitted purpose shall be required. Failure to produce the required documentation may result in disciplinary action, up to and including termination.

5. Abuse of sick leave of any sort shall be subject to disciplinary action. The Authority shall require a medical certification whenever there is a proven pattern of abuse.

6. The Authority shall also have the right to require medical certification at any other time at the expense of the Authority. Such request shall not be made in a random manner or with disparate impact upon any group of employees.

D. **Bereavement Leave**. Full-time employees will be granted up to three (3) working days with pay following the death of an immediate relative. An immediate relative is defined as a spouse, significant other, civil union partner, domestic partner, child, step-child, daughter-in-law, son-in-law, grandchild, great grandchild, parent, step-parent, grandparent, great grandparent, sibling, niece, nephew, aunt, uncle, mother-in-law, father-in-law, sister-in-law, brother-in-law, or any person related by blood or marriage residing in an employee's household. The Authority reserves the right to ask for proof of death. An employee may use any accrued sick, vacation, or personal leave if they need more than three (3) working days off following the death of an immediate relative or if they need any time off following the death of any other individual.

E. **Court Leave**

1. Any employee who is summoned to perform jury duty, who is subpoenaed to appear as a witness before a court, legislative committee, judicial or quasi-judicial proceeding and who is a party to any action, unless the employee is a plaintiff in an Authority matter, shall be excused from their normal work duties, with pay in order to fulfill this civic obligation.

2. Copies of the jury duty summons or subpoena must be given to the employee's supervisor within three (3) days of receipt. Employees who perform jury duty or who appear as witnesses shall request a certificate of attendance from the court and provide a copy of the certificate to their supervisor.

3. Only employees who receive a subpoena to be a witness in a case which is directly related to the business of the Authority will be given the same level of absence with pay as granted above for jury duty with the following exception: an employee who is a plaintiff in a case in which he/she has brought against the Authority will not be eligible for such compensation and will be required to utilize his/her vacation, compensatory and/or personal leave time. Such time off shall not be unreasonably denied.

F. **Leaves of Absence Without Pay.** The Executive Director may grant full time permanent employees an unpaid leave of absence for up to ninety (90) calendar days. Requests for such leave must be made in writing and shall include a detailed explanation of the need for the requested leave. Unpaid leaves of absence for full time permanent employees may be extended for an additional ninety (90) calendar days, when requested in writing and approved by the Executive Director and shall not be unreasonably denied. Said denial of either leave request shall be non-grievable.

G. **Family and Medical Leave.** The Federal Family and Medical Leave Act provides eligible employees with up to twelve (12) weeks of unpaid, job-protected leave per year. Employees who have worked for the Authority for at least twelve (12) months and for at least 1,250 hours of service during the previous twelve (12) month period may be eligible. The New Jersey Family Leave Act provides eligible employees with similar protection, but reduces the hours of service requirement to 1,000 hours during the previous twelve (12) month period. Eligible employees may be granted unpaid leave to care for their child following birth or adoption, to care for a child placed in their foster care, to care for an immediate family member with a serious health condition, or for a serious health condition that renders them unable to perform their job.

The Federal Family and Medical Leave Act also provides eligible employees who are the spouse, child, parent, or next of kin of a covered servicemember with up to twenty-six (26) weeks of unpaid, job-protected leave per year to care for the servicemember.

Requests for leave must be submitted in writing to the Executive Director. The period of leave must be supported by a healthcare provider's certification. Approved leave may include the use of any accrued vacation, sick, and personal leave at the employee's request. The portion of the leave that runs beyond the exhaustion of all vacation, sick, and personal leave will be without pay. Health benefits shall be maintained during the period of leave at the level and under the conditions coverage would have been provided if the employee had not been on leave.

H. **Domestic Violence Leave.** The New Jersey Security and Financial Empowerment Act provides employees with up to twenty (20) days of unpaid leave per year. Employees who have worked for the Authority for at least twelve (12) months and for at least 1,000 hours of service may be eligible. Eligible employees may be granted leave for any domestic violence incident or sexually violent offense committed against them or their child, parent, spouse, domestic partner or civil union partner. Leave may be used to seek medical attention, counseling, legal assistance or relocation, as well as to participate in legal proceedings. Leave must be taken within one year of a qualifying incident or offense.

Employees must provide written notice to the Executive Director to the extent practicable under the circumstances. In addition, employees must provide proof that they qualify for leave. Approved leave must include the use of any accrued vacation and sick leave, regardless of the length of leave requested. The portion of the leave that runs beyond the exhaustion of vacation and sick leave will be without pay.

I. **Donated Leave**

1. The Authority has established a donated leave program which allows Authority employees to voluntarily donate a portion of their earned sick and/or vacation time to other Authority employees who have exhausted their own earned leave time and who:

a. Suffers from a catastrophic health condition or injury that necessitates the employee's prolonged absence from work; or

b. Is needed to care for a member of their immediate family who is suffering from a catastrophic health condition or injury.

2. A full program description, including donor and recipient participation requirements, is available from the Personnel Officer.

J. **Effect of Leave on Benefits**

1. During paid leave, enrolled employees shall continue to receive full health insurance and pension benefits.

2. For the duration of an approved FMLA leave and for up to thirty (30) days of approved military leave, the Employer shall pay the employer portion of health benefit premiums. Employees are responsible for paying their contribution, as determined by the State Health Benefits Program, for themselves and their dependents in order to maintain coverage.

3. For any other form of unpaid leave, employees may be eligible to continue coverage under COBRA. The Employer does not pay any portion of the health benefit premiums for such employees.

4. Employees on unpaid leave will receive a schedule for making health benefits premium payments or co-payments. Failure to remit payment to the Authority within thirty (30) calendar days of the due date may result in termination of health benefits coverage for the duration of the approved leave. If the Authority chooses to pay the employee's portion of the premium, the employee will be required to repay these amounts in full to the Authority in accordance with any deadlines established by the Authority. Employees who lose their health benefits coverage may reapply for restoration within sixty (60) calendar days after the original termination of benefits, unless otherwise provided by the State Health Benefits Plan.

5. Employees accrue no seniority, or additional sick or vacation leave, while on unpaid leaves of absence. All pension contributions and disability insurance coverage cease during unpaid leave. Employees may be eligible to purchase additional pension credit for the leave period through the New Jersey State Division of Pension and Benefit.

ARTICLE 26. WORKERS' COMPENSATION

A. Employees who suffer job-related injuries and illnesses may be entitled to medical expenses, lost income and other compensation under the New Jersey Workers Compensation Act. Information regarding benefits, coverage, exclusions and other terms and conditions is available and can be obtained from the Personnel Officer.

B. Any occupational injury or illness must be immediately reported to the employee's supervisor. Supervisors of injured employees are required to report injuries and accidents immediately to the Personnel Officer. All required medical treatment must be performed by a Workers Compensation physician appointed by the Authority's insurer. Unauthorized medical treatments may not be covered pursuant to the Workers Compensation Act. Workers Compensation shall be the only source of income provided to an employee injured on the job.

ARTICLE 27. EMPLOYEE BENEFITS

A. Medical Benefits

1. The Authority offers its employees and their eligible dependents medical, dental, prescription drug and vision care benefits. Medical and prescription coverage shall be effective sixty (60) days after the first day of employment. Dental and vision coverage shall be effective on the first of the month following three (3) full months of employment. The types and amounts of coverage available to employees may change from time to time based on the plans available to the Authority. Health benefits remain in effect while persons are in the paid employ of the Authority, subject to limitations imposed by State Health Benefits regulations and Authority policy. Health benefits may continue into retirement provided the retiree meets the service requirements established by the New Jersey Division of Pensions and Benefits. Employees who separate from the Authority may be eligible to purchase group health benefits coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1986, as amended and supplemented.

2. It is agreed that there shall be a reopening of negotiations limited to the subject of the level of coverage whenever the level of medical, dental, prescription, or vision care benefits coverage may change, unless such change is caused by the State Health Benefits Plan.

3. All employees shall contribute to their medical and prescription coverages pursuant to State law.

4. All copayments and deductibles shall be determined by the State Health Benefits Commission. The provisions of Chapter 78, Public Laws of 2011 shall remain in full force and effect, including as to all applicable retirees, for the contract duration.

B. **Life Insurance.** Employees shall receive a free non-contributory life insurance benefit through the State of New Jersey equal to one and one half (1½) times the employee's base salary earned in the twelve (12) months preceding their death. The benefit shall be pro-rated during the first year of coverage.

C. **Temporary Disability Insurance.** State of New Jersey Temporary Disability Insurance (TDI) that provides income assistance to disabled employees for up to twenty-six (26) weeks covers all fulltime Authority employees. To be eligible for TDI benefits, an employee must

be out of work due to personal illness for an extended period of time, have exhausted all accrued sick leave and be under the care of a licensed physician, dentist, podiatrist, chiropractor, optometrist or psychologist. Claims for TDI benefits must be filed no later than thirty (30) days following the first day of disability.

D. **Short-Term Disability Insurance.** Employees may purchase additional short-term disability insurance to extend the income assistance benefits of TDI. The Authority has contracted with a private insurance carrier to provide this supplemental benefit, which is paid for by interested employees through payroll deduct.

E. **Deferred Compensation.** The Authority offers a Federal Internal Revenue Code Section 457 plan that allows its full-time employees to defer a portion of their income from Federal income taxes and save for their retirement, subject to current IRS regulations. Employees who participate in the deferred compensation program may withhold some of their annual salary, up to the maximum allowed by the IRS regulations, and invest it in a wide range of stocks, bonds, money markets or mutual funds. Federal income taxes are deferred on withheld amounts and accumulated investment earnings until the assets are distributed or when the employee retires, presumably at a lower tax rate. This program is administered on behalf of participating Authority employees by a reputable private investment firm.

F. **Tax Savings Plan.** The Authority has contracted with a private firm to administer a tax savings plan for its employees, as provided for under Section 125 of the Federal Internal Revenue Code. This plan allows participating employees to set aside before-tax dollars to pay for certain medical, dental, and dependent care expense, thereby avoiding federal taxes and saving money.

G. **Dependent Eligibility.** Dependents are eligible for coverage in accordance with State or Federal Law.

ARTICLE 28. DISCIPLINE

A. Employees shall be subject to discipline in accordance with the provisions of the collective bargaining agreement. All disciplinary actions shall also be in compliance with New Jersey laws, statutes, rules and regulations, where applicable.

B. It is the responsibility of the supervisor to enforce and maintain proper discipline. Discipline of an employee shall be consistent with New Jersey Civil Service Commission rules; discipline may be minor or major.

C. Employees may respond to any disciplinary action or hearing decision with a written response. Such response shall be placed in the employee's personnel file at their request.

D. Minor discipline includes any oral or written warning, written reprimand, fine, or suspension without pay for up to five (5) days. This shall apply to Civil Service and non-Civil Service employees.

E. Major discipline, for Civil Service and non-Civil Service employees, shall include termination, disciplinary demotion, suspension or fine of five (5) consecutive days or more. Major discipline, for Civil Service and non-Civil Service employees, shall also mean aggregate suspension of fifteen (15) days or more in a calendar year and/or more than three (3) suspensions or fines of five (5) working days or less in a calendar year.

F. In regard to Civil Service and non-Civil Service employees, the following is a non-exclusive list of possible violations that may affect the employee's status/employment with the Authority:

G. Discipline for an employee shall be imposed for just cause. The Union/Steward will be informed within forty-eight (48) hours by mail or fax when discipline of any nature is to be imposed.

Discipline will be filed within fifteen (15) days from the date on which the act which is the subject of the discipline occurred or fifteen (15) days from the date on which management reasonably should have known of its occurrence. Where the nature of the discipline is the subject of an investigation conducted by a Federal or State agency, discipline will be filed within fifteen (15) days of receipt of notification of the conclusion of the investigation and/or filing of the charges.

H. If an employee is summoned to a meeting, which he/she reasonably believes will lead to disciplinary action, he/she will have the right to have a Union Steward or Union Representative at the meeting.

I. When the immediate supervisor/manager believes that an employee has acted in such a manner that he/she should be subject to disciplinary action, the immediate supervisor/manager should first privately discuss the matter with the employee concerned and the Union representative, if the employee requests such.

J. After the immediate supervisor/manager reviews the materials and the incident and documentation and considers the employee's view, he/she may take the following action: determine the matter does not warrant discipline; issue a verbal reprimand with notations to the employee's personnel file that such action was taken; issue a written reprimand with a copy of the reprimand placed in the employee's personnel file; draft disciplinary charges describing the incident/infraction with appropriate documentation; or draft disciplinary charges describing the incident/infraction and making a recommendation for suspension, demotion, or termination. Potential suspension and termination actions must be approved by the Personnel Officer and the Executive Director. The charges regarding potential suspension and termination actions should be submitted to the Personnel Officer with appropriate documentation supporting the recommendation.

K. Upon request of the Union, the parties will mutually arrange a hearing at the earliest possible date after the proper notice has been given to the employee.

L. A hearing officer will be assigned by the Executive Director or designee. All facts should be presented at this hearing, and both parties afforded the opportunity to present witnesses, documents and make oral arguments before the hearing officer.

M. A report of the hearing and a determination of the extent of disciplinary action, if any, will be made within twenty (20) calendar days by the hearing officer after the close of the record.

N. The Personnel Officer, with the approval of the Executive Director, may determine that an immediate suspension with or without pay may be imposed pending the outcome of the hearing. The employee will be notified of such a determination and the reasons for the decision upon being served with the disciplinary charges, and given an opportunity to respond verbally or in writing.

O. Following a hearing, the Hearing Officer may decide to agree with the recommended Disciplinary action or amend the recommended action to take one (1) or more of the following forms, which are not required to be in the order set forth below:

1. Verbal reprimand, with notations to the employee's personnel file that such action was taken;
2. Written reprimand with a copy of the reprimand placed in the employee's personnel file;
3. Suspension from duty without pay for one (1) or more days;
4. Demotion or payment of a fine as set forth below. Demotion shall include, but not be limited to, a change in job title and/or loss or pay. A fine may be imposed as a form of restitution, in lieu of suspension, where the employee has agreed to payment of a fine as a disciplinary action. The fine may be paid in lump sum or installments, as determined by the Executive Director or designee;
5. Dismissal from the Authority's employ.

P. The Executive Director will review the Hearing Officer's decision and authorize the imposition of the recommended disciplinary action. The Executive Director can, for good cause, amend the recommended action prior to imposition. The Union will be permitted in such a situation to provide written opposition to the Executive Director's decision, only where the action of the Executive Director causes an increased discipline.

Q. All documents in any way connected with the employee's disciplinary history shall be placed permanently in the employee's personnel file and may be viewed in accordance with the terms of this Agreement.

R. Newly hired probationary employees may be separated from their employment by action of the Executive Director or designee at any time without recourse from the employee.

S. An employee who is terminated shall be entitled to payment for any unused "benefit" days.

T. The Union shall be provided with any disciplinary notices/decision given to its members.

U. At any hearing where discipline will be imposed, either party may make a verbatim recording through the use of a certified stenographic reporter (CSR). Such record is to be transcribed and paid for at the request of the party who ordered the CSR. However, if a record is transcribed, the other party shall receive a copy if submitted to appeal.

V. The Union shall be provided with a copy of all written material when such material is to be relied upon in any personnel action resulting in disciplinary proceedings.

W. Employees shall be entitled to receive written notice of any disciplinary action, including the reasons therefore, prior to the action being taken except when immediate suspension is required if an employee is unfit for duty, a hazard to any person, to maintain the health, safety or welfare of the workplace, or effective direction of public services or when criminal charges have been brought against any employee.

X. Supervisors must document all disciplinary actions with facts and dates of any counseling sessions and/or other previous disciplinary actions.

Y. Employees are requested to sign any notice of disciplinary action only to acknowledge its receipt. If an employee refuses to sign, said refusal will be so noted and the notice is to be signed by the supervisor in the presence of the employee.

Z. Nothing in this Agreement shall compel the Union to submit a disciplinary action to arbitration or to represent any employee before the New Jersey Civil Service Commission.

AA. Following the conclusion of the disciplinary process, all cases involving discipline shall be processed through the grievance procedure set forth in Article 29, except that employees covered by the New Jersey Civil Service Commission shall have their cases processed in accordance with those procedures.

BB. Management shall bear the initial burden of proof in all matters at each step relating to discipline.

ARTICLE 29. GRIEVANCES

A. A Contractual Grievance is an allegation by an employee or the Union that a specific provision of this Agreement has been violated. All other allegations as to a violation of a rule, regulation, policy or procedure of the Authority may be submitted to all steps of the grievance procedure. These non-contract grievances may not be submitted to binding arbitration.

B. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

C. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with an appropriate member of the Department's supervisory staff and having the grievance adjusted without the intervention of the Union.

D. With regard to employees, the term grievance as used herein means an appeal by an individual employee or groups of employees, from the interpretation, application, or violation of policies, agreements and administrative decisions affecting them, as amended in Section A above.

E. The following constitutes the sole and exclusive method of resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent. The definition of working days is Monday through Friday, excluding holidays, irrespective of whether the employee works the days or not. Grievances may only be formally filed and processed by the CWA/Union.

STEP ONE:

The aggrieved or the Union shall institute action within ten (10) working days after the event giving rise to the grievance has occurred or ten (10) working days from the time the employee became aware of the event or occurrence giving rise to the grievance by submitting a written grievance to the Immediate Supervisor/Manager. The parties shall schedule a grievance meeting within seven (7) working days from receipt of the grievance. The Supervisor/Manager shall respond in writing, to the Union, within five (5) working days of the Step One meeting. Failure to act within said seven (7) working days shall be deemed to constitute an abandonment of the grievance.

STEP TWO:

If the grievance is not resolved at Step One, it may be appealed to the Department Head within fifteen (15) working days from the receipt or non-receipt of the Step One decision. Step Two grievance shall contain the relevant facts and the remedy requested by the grievant. Upon receipt of the grievance, the parties shall schedule a grievance meeting within five (5) working days from the receipt of the grievance. The Department Head shall submit a written decision to the Union within (10) working days of the hearing. Failure to submit a decision within the designated time frame shall be construed as a negative response and may be appealed to Step Three.

STEP THREE:

If the Union wishes to appeal the decision of the Department Head, it shall be presented in writing to the Executive Director or designee within ten (10) calendar days. The grievance shall contain the relevant facts and the remedy requested by the grievant. Upon receipt of the grievance, the Executive Director or designee shall review all material and will schedule a hearing within fifteen (15) calendar days. Oral testimony, relevant materials, and witnesses may be presented. The Executive Director shall submit a written decision to the Union within twenty (20) calendar days of receipt of the grievance hearing. Failure to submit a decision within the designated time frame shall be construed as a negative response.

STEP FOUR:

1. Any unresolved contractual grievance may be appealed to binding arbitration only by the Union. The Union must file the request for arbitration within fifteen (15) working days after the receipt of the Executive Director's decision or non-decision in Step Three.

2. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

3. The arbitrator shall be selected in accordance with the panel of arbitrators maintained by the Public Employment Relations Commission (PERC) in accordance with the selection procedures of PERC.

4. The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

5. The decision or award of the arbitrator shall be final and binding on the Employer, the Union and the grievant or grievants to the extent permitted by and in accordance with applicable law and this Agreement.

6. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement and shall confine his/her decision solely to the interpretation and application of this Agreement. The arbitrator shall confine himself/herself to the precise issue submitted for arbitration and shall have no authority to

determine any other issues not so submitted to him/her nor shall he/she submit observations or declarations of opinions which are not essential in reaching the determination.

7. The costs of the services of the arbitrator shall be borne equally by the Employer and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.

8. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue his decision within thirty (30) days after the close of the hearing.

GENERAL INFORMATION

All information concerning employee grievances will be held in strict confidence. It is agreed that the individual employee and/or group of employees are entitled to use this grievance procedure and to be represented by the Union. He/she will not be coerced, intimidated or suffer any reprisal as a direct or indirect result of the grievance procedure. The aggrieved employee will be granted necessary time to schedule and attend grievance meetings with the supervisor, department head, executive director, and/or designated hearing officer, so long as it does not impact the operation of the Authority.

Grievances initiated by the Authority shall be filed simultaneously with the appropriate Union Official, designated by the Union, and the relevant shop steward within ten (10) calendar days of the occurrence or event giving rise to the grievance. The Authority and the Union shall schedule a meeting within fifteen (15) calendar days of the grievance filing in an effort to resolve the dispute.

The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If the Authority does not answer the grievance within the time limits in question, the grievance shall be deemed denied. Nothing herein shall prevent the parties from mutually agreeing to extend or shorten the time limits for processing the grievance at any step in the grievance procedure.

It is understood by the parties that only the Union may process grievances involving alleged violations of the Agreement.

ARTICLE 30. SEVERABILITY

A. In the event that any provision of this Agreement between the parties shall be held by operation of law and/or by a court or administrative agency of competent and final jurisdiction to be invalid or unenforceable, the remainder of the provisions of such Agreement shall not be affected thereby but shall be continued in full force and effect.

B. Any specific or general provision of this Agreement notwithstanding, wherever a provision of this contract is determined to be in conflict with the laws of the State of New Jersey, or with rules, regulations or procedures thereunder, the laws, regulations, rules and procedures shall be controlling.

C. This Agreement shall not be modified, altered or changed except by written agreement of the parties.

ARTICLE 31. FULLY BARGAINED PROVISIONS

A. The parties acknowledge that this Agreement represents and incorporates the complete and final understanding and settlement of the parties on all bargainable issues, which were or could have been subject to negotiations. Unless otherwise specially provided in this Agreement, no prior administrative procedure, practice or past practice shall be interpreted or applied so as to enlarge or otherwise conflict with the express terms of this Agreement and all such procedures or practices or past practices shall be considered to have been eliminated.

B. During the term of this Agreement, neither party will be required to negotiate with respect to any such matters, whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement, except where there is contract language that permits a re-opener or the parties mutually agree to renegotiate a term and/or condition of employment.

C. This document constitutes the sole and complete agreement between the parties and embodies all of the terms and conditions governing the employment of employees in the Union.

D. The parties acknowledge that they have had the opportunity to present and discuss proposals on any subject, without prejudice, which is (or may be) subject to collective bargaining.

ARTICLE 32. LEGAL REFERENCES

A. Nothing contained herein shall be construed to deny or restrict an employee covered by this Agreement such right as he/she may have under any other applicable laws and regulations.

B. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law(s), then such provision shall not be deemed valid and the remaining provisions of the Agreement contained herein shall continue in full force and affect.

ARTICLE 33. DURATION OF CONTRACT

The terms and conditions set forth in this Agreement shall become effective on April 1, 2021 and shall continue in full force until March 31, 2024, or until execution of a successor agreement.

ARTICLE 34. MANAGEMENT RIGHTS

A. The Authority hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon it and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including but without limiting the generality of the foregoing the following specific rights:

2. To take personnel action subject to the provisions of Civil Service for Civil Service employees and PERC law as amended;

6. To schedule employee work hours pursuant to the terms of this Agreement;
7. To take disciplinary action after thorough review of the incident.

B. C. It is understood and agreed that the Employer, in its sound discretion, possesses the right, in accordance with applicable laws, to manage all operations, including the direction of the working force and the right to plan, direct and control the operation of all equipment and other property of the Employer, except as modified by this Agreement.

D. Except as specifically otherwise provided in this Agreement, all rights, powers and authority not specifically restricted by this Agreement are retained and remain exclusively and without limitation within the right of management.
